Political Science Quarterly of the Central European Political Science Alliance

CENTRAL EUROPEAN POLITICAL SCIENCE REVIEW

Central Europe passed through great changes after the fall of communism. Ten years after the transition, the democratic developments in the Central European countries produced many new achievements in the field of political science

Aims of CEPSR

- (1) The editors of CEPSR aim at supplying its readers with up to date information on the place and role that the Central European region has in an integrated Europe in the field of politics, economics, culture and structure.
- (2) We intend to provide a forum for the appearance of the results and conclusions of the best scientific works that treat the Central European region.

CEPSR will have thematic numbers.

Number 1: Central Europe in Europe

Number 2: Political Parties and movements in Central Europe

Number 3: Political Transition and Transformation in Central Europe

Number 4: Political Representation, Institutions and Actors

Number 5: Globalisation Regionalisation and Nations in Central Europe

Number 6: The Euro-Atlantic Intergration. Attitudes and Orientations

Number 7: Political Representation Actors and Institution

Number 8: Political Parties and European Integration

Number 9: The Future of Europe-Central European Integration

Number 10: The Process of Stabilization of Democracy in Central Europe

Number 11: The Role of Media in Central Europe and in Europe

Number 12: Participation, Movement and Human Rights

Number 13: Political Parties and the European Enlargement

Number 14: EU Enlargement and Cleavages in Central Europe

Number 15: Lessons from History and EU Accession for Central Europe

Number 16: Minority's Status Laws in the European Union and in Hungary

Number 17: European Standard of the Rights

Number 18: Public Policy in Central Europe

Number 19: Political culture and multiculturalism

Number 20: European identity and immigration

Number 21-22: Reinventing Central Europe I.

Number 23-24: Reinventing Central European Dilemmas

The editors of Central European Political Science Review therefore welcome the articles of political science researchers in the world, which are related to the Central European region or which carry a message for these countries.
